

Identity Theft

IDENTITY THEFT

Identity theft is a crime whereby the **fraudster obtains personal information of an individual and uses it by pretending to be someone else, and indulges in activities such as financial transactions.**

HOW TO AVOID BEING A VICTIM

Do not share your personal information over unsolicited Phone call, SMS, E-mail, WhatsApp messages or any other means.

Avoid clicking on untrusted web links, E-mail attachments etc. Protect your mailbox by using complex alphanumeric passwords (e.g., svHjDf@134) and enable multi factor authentication.

To prevent dumpster divers from extracting anything valuable / confidential from dumpsters, **always shred your confidential documents that are no longer needed.**
